

FEB  
**8**

Do Science technology engineering and math (STEM) intimidate you or inspire you?

**Either way THESE WORKSHOPS ARE FOR YOU!**

Come experience first hand how STEM learning is being incorporated into curriculum. Bring your kids, ask questions, make mistakes, get messy and have fun while learning something new.

**Save the Date: Thurs. Feb. 8, 2018  
Parent Workshops**

**(kids welcome with adult accompaniment)  
Event sponsored by SJC Catholic School Council  
Funded by Parents Reaching Out Grant**

**SJC 6:30pm-8:30pm**

**Four FREE workshops selections to engage parents and their children.**

Choose between:

- 1) Robotics**
- 2) Arduino Coding**
- 3) Video Game Design**
- 4)STEM Challenge**

Workshops are being run and supervised by staff from STEM Minds, Aurora.
